## Message from your new Board Chairperson

At the annual Organizational meeting on November 4, 2008, I had the honour of being elected as the new Chairperson of the Regina Board of Education. I will be serving you alongside Vice-Chair Dale West and five Trustees whose previous contributions and ongoing work for the benefit of public education in Regina is well known.

I am looking forward to working with Mr. West and my fellow Trustees to further implement this Board's strategic plan first developed under the committed leadership of former Chair, Russ Marchuk, and former Vice-Chair, Garry Schenher.

Our focus will remain on the vision of strong sustainable public education. Our Continuous Improvement Plan details how we will enhance student achievement and create quality learning environments for students and teachers. This school division is grateful to parents, staff, students, ratepayers, partners and other members of the community who continue to support inclusive, respectful and accountable public education in Regina.

We encourage you to engage and participate in the activities of your school division. You are welcome to attend Board meetings held on every second Tuesday at 7:00 p.m. See [www.rbe.sk.ca](http://www.rbe.sk.ca) for more details. You are also welcome to contact the Trustee for your school community. We encourage you to work through school administration, but we are here to help with any challenges. And we certainly welcome your good news stories too!

Two-way communication is very important to us. This *From Your School Board* newsletter is a new quarterly through which your Board will share some of this information and developments in public education in Regina and in your schools.

If you have any comments, please forward them to me at [beyoung@accesscomm.ca](mailto:beyoung@accesscomm.ca).

My best wishes to all public school families, partners and friends for the coming new year.

Barbara Young
